

**Ryan Tyrrell**

Senior Trust Administrator

Ryan joined Meritus Trust in March 2026, bringing a strong foundation in corporate administration and client service. He has experience managing client portfolios and supporting a range of trust and corporate structures, with a focus on delivering efficient and high-quality service.

Prior to joining Meritus, Ryan worked at Ocorian, where he gained valuable experience in evolving operating environments, including team integration following an acquisition and supporting business activities during a regulatory inspection. This has given him a strong understanding of compliance, regulatory expectations, and the importance of accuracy and clear communication.

Ryan supports a broad range of trust and corporate administration activities, with a focus on accuracy, organisation, and attention to detail.

Ryan is currently working toward his Trust and Estate Practitioner (TEP) qualification and aims to become an active member of Bermuda's STEP chapter, reflecting his commitment to ongoing professional development.
